Highliner Events to Exhibit at The International WorkBoat Show

Company to promote FirstSource: Maritime Events and Commercial Marine Expo Events

There's no bigger gathering of the work boat industry than The International WorkBoat Show, and we're proud to be exhibiting this year! Please swing by our booth—we have two exciting products we'd like to tell you about!

This is the new event you've been hearing about! An exclusive, hosted buyer-event for thirty fleet operators and fifty pre-qualified fleet suppliers. Take part in more than 600 one-on-one meetings over two days of networking and collaboration. Fleet operators choose who they meet with and attend free, including airfare, meals, receptions and parties. But its invitation only...stop by **Booth #3339** to see if you qualify to participate!

Simply a Better Way to Buy!

CME returns to the New Bedford working waterfront in 2012!

What's new this year? The state has just completed a \$3.5 million State Pier building renovation, we're headed for a sell-out of exhibit space for the third straight year, and 2,500 commercial marine operators—including the owners and operators of the world's largest scallop fleets and New England's tugs and ferries—are making plans to attend. Reserve your CME booth or register to attend free, saving \$20—please visit us in **Booth #3339**.
